Maldives is a very beautiful place to travel with your friends and family. The dream holiday destination of Maldives is undoubtedly beautiful. Its waters are impossibly clear, the weather is perfect for any type of holiday. There is a fascinating history, rich culture and tradition to discover. Its geology is pretty unique, the whole country is made up of 26 coral atolls, formed after the eruption of ancient underwater volcanoes. Since in Tourism Industry Maldives is the largest revenue generator. Due to their underwater scenery and clean water, the Maldives is ranked among the best recreational diving destinations. Maldives has the most beautiful tropical islands in the world. Therefore Maldives are known as "The tropical paradise."

▪ It's the lowest nation in the world

So this was the whole scenario of Maldives. So I think you should also visit Maldives once and try to explore it.
